# INTERNATIONAL FUTUREX FELLOWSHIP

INTEGRATES MIT SLOAN SCHOOL OF MANAGEMENT PRINCIPLES

# THE CHANGING LANDSCAPE OF EDUCATION

As school leaders, you face the challenge of bridging the gap between traditional academics and future skills.

**NEP 2020 & NCF 2023** require integration of:

- Financial Literacy & Wealth Management
- AI, Coding & Digital Competencies
- 21st Century Problem Solving & Critical Thinking

## The Challenge:

Implementing these subjects demands new faculty, infrastructure, and time, resources already stretched thin

## The Solution:

The FutureX Fellowship brings expert-led, ready-to-launch programs to your school, enabling NEP-compliant future-skilling with no extra administrative burden.

# WORLD-CLASS LEARNING, DELIVERED LOCALLY

## Curriculum Benchmarked with Ivy League Standards

The International FutureX Fellowship is a 6 months immersive program equipping Classes 6–9 with global competencies. Designed to mirror Ivy League school standards, it positions your students on a global stage.
